GORGOZA WATER COMPANY

I _____, a class A shareholder of Gorgoza Mutual Water Company, ("Company") am renting my personal residence at _____, lot number _____, to _____ ("Renter"), starting _____ ("Date").

I am requesting that the Renter be assessed for his or her monthly water usage at this address. I am aware that the Company will assess the Renter and not send duplicate assessment notices to me while my residence is being rented. I recognize that as the original shareholder, I am ultimately responsible for the payment of the periodic water assessments in the event these assessments are not paid by the Renter on a timely basis.

I also understand that if these assessments remain unpaid, my share in the Company may be subject to public sale in accordance with the bylaws of the Company.
