

## Certified Backflow Technicians

The following is a partial list of State Certified Backflow Technicians from the Park City area and the Salt Lake Valley. This list is provided by Gorgoza Mutual Water Company for reference only and does not constitute an endorsement of qualifications. Any Grade 2 or Grade 3 backflow technician certified by the Utah Division of Drinking Water may perform required testing of backflow prevention assemblies.

A complete list of certified technicians is available at the Utah Division of Drinking Water:
